Kensington Publishing, United States, 2017. Paperback. Condition: New. Reprint. Language: English. Brand new Book. Dear friend, Love will find a way--you just have to believe. Revising these two romances was a pleasure--I hope you'll enjoy reading them. SOMETHING EXTRA Slow down, cher. This is Cajun country. Driving down meandering Louisiana roads that seem to go back in time, Jolie Smith is in love with it all. Moss-draped oaks. Bayou blues drifting over the water. And a mysterious plantation her ancestors once called home. But tall, dark, and sexy Steve Cameron has a claim to the place too. Looks like it won't be long before he claims her heart into the bargain. THE IVORY CANE Young and beautiful, Sabrina Lane is on her own in San Francisco, despite her blindness. She's doing fine, thank you very much--until Bay Cameron gets in the way. Bay is brilliant, successful, and genuinely interested in her. All the same, his male protectiveness exasperates her sometimes. But with that deep voice . . . and those strong arms . . . oh, dear. How can Sabrina say anything but yes? We can all use a little wonderful in our lives these days. What a feeling! My best always, Janet Dailey.
